Importance: High

Hi, Doug,

Attached is the IOGCC briefing book from Sept. Some of the national topics need updates. We'll discuss updates and other pertinent items on our call with Jim Kenney this Friday.

I spoke with Daisy from HQ this morning and she may meet you in Bismarck for the Smart Sector meetings.

I will follow up with Jim Kenney this afternoon and call you with an update.

Thanks, Megan

Importance: High

Hi all –

Attached please find the IOGCC briefing book with 11 highlighted topics I would focus on based on what I think attendees may be most interested in hearing about from EPA. As a reminder: the state agencies at the IOGCC meeting are generally those that implement the SDWA (UIC Class II programs) so expect to hear more about such topics from states. The non-state attendees - trades associations, industry, eNGOs, etc. - may take the time to ask about broader issues.

Looking forward to seeing you all in Idaho!

Thanks,

Jim
